## **Baby Mama From Hell** Rikanya Hunter

Fifteen-year-old Kimora had a great, stress-free life until her parents divorced. After the divorce, her father relocated from Jacksonville to Miami for work. Kimora's world drastically turned upside down. Even though her father was still a part of her life, she missed him terribly. She was forced to grow up quickly and care for her ten-year-old brother, Kennard, while her mother celebrated her newfound freedom, by running the streets and neglecting her children for men and money. Thankfully, her best friend, Gabriela, was there to pick up the pieces and keep her sane.

Neron Lopez was the jock and class clown of ninth grade, and Kimora despised him. It wasn't until she was compelled to work with him for a school project that she began to see a different side of him. Neron and Kimora quickly became an item and were inseparable. He dreamed of marrying Kimora after high school, but his dream was crushed when an unexpected twist tore them apart.

Neron tried to move on with his life and forget about Kimora, but a drunken one-night stand at a party puts him on the path to fatherhood. He ultimately ends up with the baby mama from hell. Kimora and Neron can't seem to stop thinking about each other and want to rekindle their relationship but, with a crazy baby mama, is that possible? Follow Neron and Kimora and see if they can find their way back to each other.

### From reader reviews:

#### **Claire Underwood:**

In this age globalization it is important to someone to find information. The information will make professionals understand the condition of the world. The fitness of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, newspaper, book, and soon. You can see that now, a lot of publisher that will print many kinds of book. Typically the book that recommended to you is Baby Mama From Hell this book consist a lot of the information on the condition of this world now. This specific book was represented just how can the world has grown up. The language styles that writer make usage of to explain it is easy to understand. Often the writer made some study when he makes this book. Here is why this book acceptable all of you.

#### **Gary Lopez:**

Many people spending their time frame by playing outside having friends, fun activity with family or just watching TV the whole day. You can have new activity to enjoy your whole day by looking at a book. Ugh, you think reading a book really can hard because you have to take the book everywhere? It fine you can have the e-book, taking everywhere you want in your Smartphone. Like Baby Mama From Hell which is obtaining the e-book version. So , why not try out this book? Let's see.

#### **Pablo Cook:**

Is it an individual who having spare time and then spend it whole day through watching television programs or just lying down on the bed? Do you need something totally new? This Baby Mama From Hell can be the response, oh how comes? A book you know. You are so out of date, spending your spare time by reading in this brand-new era is common not a geek activity. So what these textbooks have than the others?

#### **Jeffrey Baptiste:**

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just minor students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Baby Mama From Hell can make you sense more interested to read.
