Final Journey-Buddys' Book (Sequel to Finally Home): A True Story about Losing a Dog, Coping with Grief...and About Two Dogs Named Buddy (The Buddy Books 2) Elizabeth Parker

This is one dog book that will help all dog lovers. After the publication of "Finally Home," Buddy was diagnosed with terminal cancer. Once the unthinkable happened and Buddy's precious life was cut short, his family was left heartbroken and devastated.

At the same time, in another state, poor economic conditions forced another family to give up their golden retriever.

As fate would have it, his name...was Buddy.

While they were mourning the loss of their beloved dog, another dog was mourning the loss of his treasured family.

Brought together by misfortune, they entered each other's lives to help put back together the pieces of their broken hearts.

Final Journey was written for both Buddys, producing the subtitle "Buddys' Book."

*A portion of the proceeds from the sale of this book will be donated to a dog rescue organization.
