From the Embers (The Born in Flames Trilogy Book 3) Candace Knoebel

I am the Progeny. The one deemed to carry this weight. The weight of knowing too much. Of knowing there is a darkness in me. Of knowing that even The Fates can screw things up.

Aurora Megalos knew becoming the Progeny meant great sacrifice, but what she wasn't prepared for was sacrificing herself. Since the day of her birth, she has been set on a path she couldn't control; a path conceived by The Fates. After discovering she is mortally connected to her arch enemy, Zordon-a son of a Fate, Aurora is left with a path that seems hopeless.

Until she discovers a revelation in the prophecy.

With war on the horizon, she must find a way to defeat the one who threatens to take everything and everyone she has ever loved from her, without destroying herself. The barrier between both realms is broken, The Fates have been overrun by Zordon, and his darkness now spreads throughout the lands. The odds are stacked against her. Will Aurora and Fenn find a way to undo the work of The Fates in time to save the realms from complete destruction?
