My Avant-Garde Education: A Memoir

Bernard Cooper

My Avant-Garde Education: A Memoir Bernard Cooper

A wry and beautifully observed memoir about coming of age in the era of conceptual art.

Growing up in the suburbs?confused about his sexuality, about his consumer-oriented world, about the death of his older brother?Bernard Cooper falls in love with Pop art and sets off for the California Institute of the Arts, the center of the burgeoning field of conceptual art, in this beguiling memoir. The most famous, and infamous, artists of the time drift through the place, including Allan Kaprow and John Baldessari, not to mention the student who phones the Identi-Kit division of the Los Angeles Police Department and has them make a composite drawing of the *Mona Lisa*.

My Avant-Garde Education is at once an artist's coming-of-age story and a personal chronicle of the era of conceptual art, from a writer "of uncommon subtlety and nuance" (David Ulin, *Los Angeles Times*). It is a record of the wonders and follies of a certain era in art history, always aware that awakening to art is, for a young person, inseparable from awakening to the ever-shifting nature of the self.

From reader reviews:

Ann Wren:

Book is actually written, printed, or highlighted for everything. You can understand everything you want by a book. Book has a different type. As you may know that book is important point to bring us around the world. Next to that you can your reading talent was fluently. A e-book My Avant-Garde Education: A Memoir will make you to possibly be smarter. You can feel far more confidence if you can know about every thing. But some of you think that open or reading the book make you bored. It is not make you fun. Why they can be thought like that? Have you trying to find best book or suitable book with you?

Emile Guzman:

As people who live in the modest era should be revise about what going on or details even knowledge to make these individuals keep up with the era which is always change and move forward. Some of you maybe will certainly update themselves by studying books. It is a good choice in your case but the problems coming to a person is you don't know which you should start with. This My Avant-Garde Education: A Memoir is our recommendation to help you keep up with the world. Why, because this book serves what you want and wish in this era.

Mary Block:

Many people spending their time period by playing outside having friends, fun activity with family or just watching TV the whole day. You can have new activity to pay your whole day by studying a book. Ugh, ya think reading a book can actually hard because you have to take the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Smartphone. Like My Avant-Garde Education: A Memoir which is getting the e-book version. So , try out this book? Let's find.

Rick Beard:

As a student exactly feel bored to be able to reading. If their teacher inquired them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this My Avant-Garde Education: A Memoir can make you sense more interested to read.
