So now you got that nigger coming to my house? Wow asshole this is my house that I bought with the money my dad left me when he died. Bitch we've been married for 15 years and in this house for 7 so that makes this 50% mine. If you think your gonna take this away from me over a fucking nigger I'll fight you with every thing I got in me to see that you walk away with nothing. You whore piece of trash. I can't wait to tell all your friends that you're a whore that fucks niggers who are still married. Excuse me James this is my daughter your talking about she's neither of those things you've called her. She's a loving mother, and was a ride or die wife until you fucked it up. This woman thought the world of you gave her all to you and you treated her like shit. I'm surprised you lasted this long. James the only nigger I know is you; you're a lazy piece of shit that fathered a child outside your marriage stole money from my daughter and grandkids. As far as that man that just left here goes. Since you wanna be name-calling and shit. That so called nigger as you said it. Paid off your wife's truck, gave her the money that you stole from her account back, even helped her getting other things that your sorry ass didn't or wouldn't provide for her. So don't you ever and I mean ever call my daughter a whore or anything else like that again. You won't have to worry about her or Victor. I'll kill you myself you worthless piece of Irish shit. Oh how I wish my exhusband were still alive because you wouldn't be here right now. Old lady shut your motherfucking mouth talking to me like that; your daughter is a nigger-loving whore. She won't fuck me but she'll fuck that black bastard all day and night. She can have that drug dealing rapper if she wants. Wow now you've over stepped your boundaries I think you either need to leave or I'll call Victor back to come and get her so she's safe. Because if you even think about trying to hurt me I will pour boiling hot sugar water on you while you sleep. So try, you some bitch, just try me! Rhonda call Victor back here tell him to come in so you can get some clothes don't worry about the kids we will go to a hotel or something. Mommy are you sure? You get out of here. Now for you mister when Victor comes in this house don't you say one word to him? That nigger is not coming in this house over my dead body. If you want that wish to come true try me I dare you to try me. Hello Huni what's wrong? Mommy wants you to come back to the house. Why what's the matter? Just come back and get me I'm scared. I'm on my way! Okay baby I'll see you when you get here, Mommy wants you to come into the house to get me. Okay I'll do that for you is Mom okay. Believe you me she's holding her own. Hello boy! James, I understand that your not that the brightest person in the world but your racial slurs wont and aren't gonna hurt me. So I guess your gonna have her turning tricks for you by the end of the weekend? Man I can't believe you just said that about the mother of your kids and the wife you claimed you loved. I'm glad she's with me now I promises you Rhonda will never ever have to worry about anything ever again. Ya right you're probably on welfare or unemployed she'll be with a white man again I bet. James I promise you you'll be with a white man before I ever go back to a white man. I love this black man right here he should've been my husband. Goodbye whore, and sambo! Rhonda come on lets go. I'm not gonna leave my mom here. I'm right behind you two with the kids.
