"Though we both enjoyed this story, what really won us over were the illustrations. They're fabulous, and are perfect for young children who enjoy looking through picture books. This book is the whole package—it's a great picture book, and fun story to read."—*Mundie Kids*

Praise for David G. Derrick's previous books:

"*I'm the Scariest Thing in the Jungle* is one of those books that you realize could easily become your child's most favorite stories of all time. The book that, when they grow up, they'll want to read to their own children."—*Just a Little Creativity*

"*Animals Don't, So I Won't!* is an enticing and recommended pick for young readers and their parents."—*Midwest Book Review*

Prehistoric life was an eat or be eaten world. When a small gliding lizard (a Coelurosauravus) finds himself on the menu, he tries to convince the much larger predator (a Dimetrodon) to play with his food.

Through vivid and entertaining artwork laced with hidden animals and humor *Play with your Food* turns the survival of the fittest into the survival of the funnest.

This is the fourth funny storybook by David G. Derrick, Jr., who is an animator at Disney. Previously Dave contributed to DreamWorks' films *Rise of the Guardians*, *How to Train Your Dragon*, and *Megamind*.
