The Survey of Income and Program Participation: Surveys On Call, On Line Access to Survey Data: Working Paper 229 Stacey Furukawa, Enrique Lamas

The Survey of Income and Program Participation (SIPP) is designed to prepare accurate data about the income and government program participation of people and households in the United States. The survey compiles data on taxes, assets and presence of government assisted programs. The SIPP data allows the government to evaluate the effectiveness of state, federal and local programs. This is a paper written by a staff member at the United States Census Bureau.
