Uprooted: An American Family Saga: Volume 2 Black and white edition Kathleen Shelby Boyett

The result of ten years of research and writing, these volumes are a lively romp through history, highlighting both the good and the not-so-good discovered about the family surnames that make up this truly American family. The author, through careful observation and analysis, debunks misconceptions found in previous research by others and exposes the fallacies circulating on the internet. She has also been able to confirm unsubstantiated stories with documentation or by the gathering of a "preponderance of evidence." Y-DNA evidence has been introduced to trace the deep ethnic origin of the surname lines. Ms. Boyett highlights her specialty in adding valuable historical context that makes the stories come alive for the reader. Written in an easy, conversational style and infused with subtle humor, these volumes are a pleasure to read, all the while providing the reader with documented, factual information. Volume Two includes the surnames: Allen, Birdwell, Boyett, Cunningham, Gilkey, Harman, Looney, McMinn, Nooner, Phillips, and Whitmell. Some of the characters you will encounter in these volumes include: a real-live Pirate of the Caribbean; President George Washington - a friend of the family; a man accused of high treason; a knight who invaded with William the Conqueror; a Hessian soldier who deserted in America; those who perished in a Shawnee raid in the wilderness of Virginia; a family with an ancient Y-DNA signature; a mother lost on a wagon train journey; a Civil War POW; a Lord Mayor of London; a family stripped of their citizenship and deported; a man gunned down by a deputy Sheriff; a Tudor loan shark who had men afraid to come to London; the victim of a frontier lynching; the man who "shot it out" in Arizona against an Earp brother; early settlers in the Republic of Texas; a Confederate spy; and royal connections back to Charlemagne. These stories and many more make up the sweeping saga of a truly American family. Enjoy the journey!

From reader reviews:

Joshua Johnson:

Reading a guide can be one of a lot of exercise that everyone in the world really likes. Do you like reading book consequently. There are a lot of reasons why people enjoy it. First reading a guide will give you a lot of new info. When you read a e-book you will get new information simply because book is one of various ways to share the information or even their idea. Second, reading through a book will make an individual more imaginative. When you examining a book especially fiction book the author will bring one to imagine the story how the character types do it anything. Third, you may share your knowledge to other people. When you read this Uprooted: An American Family Saga: Volume 2 Black and white edition, you are able to tells your family, friends in addition to soon about yours guide. Your knowledge can inspire different ones, make them reading a publication.

Dolores Schreiber:

Precisely why? Because this Uprooted: An American Family Saga: Volume 2 Black and white edition is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will distress you with the secret that inside. Reading this book close to it was fantastic author who write the book in such remarkable way makes the content on the inside easier to understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This amazing book will give you a lot of advantages than the other book possess such as help improving your proficiency and your critical thinking method. So , still want to postpone having that book? If I ended up you I will go to the e-book store hurriedly.

Rose Davies:

Is it a person who having spare time and then spend it whole day by means of watching television programs or just resting on the bed? Do you need something new? This Uprooted: An American Family Saga: Volume 2 Black and white edition can be the answer, oh how comes? It's a book you know. You are and so out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these textbooks have than the others?

Tommy Worm:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Uprooted: An American Family Saga: Volume 2 Black and white edition can

make you sense more interested to read.
