Do you have aspirations to write? Are you looking for some basic tips on how to get started? Discover the writing skills you will need from the four books in this set. Loaded with great time saving tips and techniques, you'll find yourself coming back to this resource time and time again.

Book 1 - Writing Skills: A beginner's guide to the writing skills needed for mystery, thriller & suspense books

Are you looking to cash in on the very profitable "Mystery, Thriller & Suspense" genre/niche? Do you have dreams of writing a bestselling mystery novel someday? Mystery, thriller & suspense novels are some of the bestselling books out today. This book will teach you the writing skills you need to capture the emotions of your readers and have them trembling inside waiting for your next release.

Book 2 - Writing Skills: A beginner's guide to the writing skills needed for children's books

Writing children's books demands that the story be entertaining and have a moral. Are you looking to learn how to write best-selling children's books? Do you want children totally captivated by your book once they start reading? This book will teach you the skills you need to create the kind of book that kids keep coming back to again and again.

Book 3 - Writing Skills: A beginner's guide to the writing skills needed for romance novels

Unlike other forms of writing, romance writing is very specific and the readers are very choosy. To make it as a romance writer, you have to employ a detailed and very specific approach that your readers can relate with and appreciate. This book will guide you through the process of creating a romance novel from start to finish.

Book 4 - Writing Skills: A beginner's guide to the writing skills needed for profitable non-fiction books

By reading this book, you will discover the do's and don'ts of excellent non-fiction books and the "how" part of creating a captivating copy that not only helps your readers solve their problems but also keeps them engaged throughout the book.

See what others have said:

Well-written, simple, easy to follow because of the organization. Not deeply technical in terminology or in its writing strategy. I think this book is perfectly suited to the writer who wants to do a first novel... Gary Webb

I have decided to dive into the world of writing, and want to stick to romance novels, since they are my favorite to read and I have tons of ideas for plots. This book by CPG Writing Services really laid it all out. I loved the way this book covers the basics of writing a book, from creating the concept, developing characters, starting with an outline, and how important the first couple of pages are...
