Why do we have hands and feet, eyes and ears?

To do mitzvos, of course!

Hashem's world was not complete until He made people with "...feet that can run very fast to help a friend... hands to open the door for a guest... ears for listening to a mother and father"... and so much more!

Delightfully written and re-issued with fresh, colorful illustrations, All About Us gives children of all ages a new perspective on different parts of the body.
