Don't Cry Beverly Barton

Nowhere To Run

The crime scenes are horrifying: the victims arranged with deliberate care, posed to appear alive despite their agonized last moments and the shocking nature of their deaths.

No Place To Hide

Chattanooga grief counselor Audrey Sherrod moonlights for the local police. It's clear to her, and to Special Agent J.D. Cass, that the murders are the work of a deranged serial killer. At first, the only link is the victims' similar physical appearance. But then another connection emerges, tying them to a long-ago series of horrifying crimes Audrey hoped would never resurface--crimes that hit all too close to home.

No Time To Cry

Each grisly new discovery proves the past has not been forgotten, and the worst is yet to come. Audrey went looking for the truth and she's about to find it. . .and it will be more twisted and more terrifying than she ever imagined. . .
