Knox: On Rebellion (Cambridge Texts in the History of Political Thought) John Knox

This edition of the most significant political writings of the sixteenth-century Protestant reformer John Knox presents accurate but accessible versions of all of his writings on the theme of rebellion, including his notorious First Blast of the Trumpet against the Monstrous Regiment of Women, and provides students and scholars alike with the means of tracing the evolution of his political radicalism and evaluating its impact. The first comprehensive edition of Knox's political writings, it sheds important new light on the political and religious thought of the Reformation period.
