I'm a magnet for evil and controlling men. Chase, my big business tycoon and love of my life, thinks he can protect me...he can't.

No one can.

It became clear far too late how serious my stalker was, that his threats weren't idle. He proved more than once that he would do what it takes, that there were no stakes too high to his sick and twisted games and delusions of worship.

We should have been better prepared. The roses, images, lingerie soaked in his seed, even his calling card written in blood didn't penetrate. I had faith that my love could make it go away, that eventually he'd be caught.

I was wrong.

In the second highly anticipated erotic suspense novel in the Trinity Trilogy, MIND digs deep into the heart and psyche of Gillian and her stalker through dueling POVs.

While Chase and Gillian plan their wedding, follow them and the entire gang as the stalker acts out his revenge and plots his attack on Gillian, Chase, and their friends.

This book can be considered dark, erotic, and thrilling. As in Body (Trinity Trilogy Book 1) the issue of domestic violence plays heavily in the story line, and Gillian experiences many disturbing flashbacks of the past, alongside tragedy the stalker brings to the present. There is also a lot of love, devotion, and friendship.

Warning: This book is designed for audiences 18+ due to language, graphic sexual content, and themes that some may find disturbing. MIND is book 2 of a three-part trilogy. Body (Trinity Trilogy - Book 1) must be read prior to reading MIND. (Audrey Carlan)
