Obstetrics and Gynaecology - an Evidence Based Text for Mrcog David Luesley, Philip Baker

This up-to-date and evidence-based text modelled on the current MRCOG curriculum provides all the information the trainees require during training and when preparing for the MRCOG examination. The book is divided into three parts - General/Introductory, Obstetrics, and Gynaecology. Sub-divisions within each section are broadly based upon the elements of the curriculum that are highlighted within each trainee's log book. For easy reference, summary boxes are included and key points are highlighted throughout the text.
