Diana: The Last Days Martyn Gregory

The definitive account of what really happened, updated to include a new chapter on operation Paget, the report into the “allegation of conspiracy to murder” Princess Diana and Dodi Fayed.

In the early hours of August 31, 1997, Diana, Princess of Wales, and Dodi Fayed set out from the Ritz Hotel in Paris for an apartment on the rue Arsène-Houssaye. They never made it.

Martyn Gregory pieces together the evidence—from the exhaustive Operation Paget to the French investigation—and, with exclusive access to Diana’s bodyguards and some of her closest confidants, paints a compelling, accurate and unbiased picture of Diana’s final hours.

Was Diana pregnant with Dodi’s child, and were they engaged to be married? Why did the ambulance take so long to get to the hospital? What were the roles of the “flash before the crash” and the white Fiat Uno? Were the blood samples taken from the driver switched before testing?

Diana: The Last Days answers all these questions and more in a compelling account of what really happened on that fateful date.

It means that it can to be your friend when you experience alone and beside those of course make you smarter than previously. Yeah, it is very fortunated for you. The book makes you a lot more confidence because you can know almost everything by the book. So , let's make new experience and also knowledge with this book.

Carlos Tabor:

Exactly why? Because this Diana: The Last Days is an unordinary book that the inside of the guide waiting for you to snap it but latter it will shock you with the secret it inside. Reading this book alongside it was fantastic author who all write the book in such wonderful way makes the content on the inside easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of advantages than the other book include such as help improving your talent and your critical thinking way. So , still want to hold up having that book? If I had been you I will go to the reserve store hurriedly.

Kaye Reynolds:

Are you kind of active person, only have 10 or maybe 15 minute in your moment to upgrading your mind talent or thinking skill perhaps analytical thinking? Then you are receiving problem with the book than can satisfy your small amount of time to read it because all this time you only find reserve that need more time to be go through. Diana: The Last Days can be your answer since it can be read by an individual who have those short free time problems.

Lester Baker:

What is your hobby? Have you heard this question when you got pupils? We believe that that issue was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person similar to reading or as examining become their hobby. You must know that reading is very important as well as book as to be the issue. Book is important thing to incorporate you knowledge, except your personal teacher or lecturer. You will find good news or update regarding something by book. Different categories of books that can you go onto be your object. One of them is this Diana: The Last Days.
