If You Come To California Nichole Naumann

Josie Foley, home-schooled loser, finds solace in one thing in her miserable life: music. When U.S.A Talent auditions hit the East Coast her geeky, only-friend urges her to leave their small hometown and attend the forbidden event. Josie is suddenly hurled into L.A.'s underbelly, an unfamiliar world of drugs, parties and crime introduced to her by the bewitching and mysterious Vanessa. Along the way, she encounters an assortment of strange, dangerous new friends that accompany her on a once-in-a-lifetime journey. There's Dante, the unhinged drag queen; Christian, a hot Sunset Strip rocker; Mickey Solomon, Hollywood's favorite drug kingpin; and SNL, the spoiled little rich girl in pink. But as Josie and Vanessa grow closer, terrible secrets start to surface—secrets that even the malleable Josie cannot ignore, threatening the friendship she always dreamed of. As the show comes to an intense climax, she begins to question what reflections are real—even her own—and discovers that nothing here is what it seems. It takes a sour dose of reality for Josie to realize she never needed acceptance to be a star...but is it too late? A shocking plunge into a raw and realistic Los Angeles, IF YOU COME TO CALIFORNIA is a fictional black market tourist's guide for anybody who has ever had a Hollywood dream. An entertaining but painfully truthful coming-of-age set in a time when "soda pop is out and Four Lokos is in," Josie guides us through a year in the turbulent life of a teenage Millennial.

From reader reviews:

Danielle Rhodes:

Why don't make it to be your habit? Right now, try to ready your time to do the important action, like looking for your favorite book and reading a book. Beside you can solve your short lived problem; you can add your knowledge by the book entitled If You Come To California. Try to the actual book If You Come To California as your friend. It means that it can to be your friend when you really feel alone and beside that of course make you smarter than previously. Yeah, it is very fortunated for yourself. The book makes you far more confidence because you can know every little thing by the book. So , we need to make new experience as well as knowledge with this book.

Damon Smith:

The book If You Come To California give you a sense of feeling enjoy for your spare time. You may use to make your capable a lot more increase. Book can to get your best friend when you getting stress or having big problem together with your subject. If you can make reading a book If You Come To California to be your habit, you can get a lot more advantages, like add your own capable, increase your knowledge about several or all subjects. You are able to know everything if you like available and read a publication If You Come To California. Kinds of book are several. It means that, science guide or encyclopedia or some others. So , how do you think about this e-book?

Joseph Nixon:

If You Come To California can be one of your beginner books that are good idea. We all recommend that straight away because this e-book has good vocabulary which could increase your knowledge in vocab, easy to understand, bit entertaining but delivering the information. The writer giving his/her effort to put every word into joy arrangement in writing If You Come To California yet doesn't forget the main stage, giving the reader the hottest along with based confirm resource facts that maybe you can be one of it. This great information may drawn you into brand new stage of crucial contemplating.

Michael Castillo:

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this If You Come To California can make you feel more interested to read.
