Bertice Berry

The Ties That Bind: A Memoir of Race, Memory, and Redemption Bertice Berry

When novelist Bertice Berry set out to write a history of her family, she initially believed she'd uncover a story of slavery and black pain, but the deeper she dug, the more surprises she found. There was heartache, yes, but also something unexpected: hope. Peeling away the layers, Berry came to learn that the history of slavery cannot be quantified in simple, black-and-white terms of "good" and "evil" but is rather a complex tapestry of roles and relations, of choices and individual responsibility.

In this poignant, reflective memoir, Berry skillfully relays the evolution of relations between the races, from slavery to Reconstruction, from the struggles of the Civil Rights movement and the Black Power 1970s, and on to the present day. In doing so, she sheds light on a picture of the past that not only liberates but also unites and evokes the need to forgive and be forgiven.
