Included in this bundle are the following sizzling novels from Lolita London:

The Doctors Reluctant Toy

When Marian is transported back in time to the estate of Dr. Thomas Churchill, she knows her life will never be the same. Thomas, on the other hand, seems perfectly content with the situation - and he seems more interested in offering her a cup of tea than explaining how on earth he managed to build a time machine.

But under the veneer of an aristocratic English gentleman is a ruthless man who has never hesitated to get what he wants - no matter the cost.

To experience another time period is something Marian has always dreamed of, but never thought could happen. If there's one thing she'll learn from Thomas, it's that anything is possible.

Spanked Into Submission

When Emilia, a young lady-turned-peasant, is forced to get a job as a maid she has no idea what to expect. She's used to having her own maids waiting on her hand and foot, and although she has no choice in the matter becoming a maid herself is a bitter pill to swallow.

Lord Galbraith knows as soon as he sets eyes on Emilia that she'll be a perfect new conquest for him. Not a crude man to simply take what he wants, he'll take his time to ensure that Emilia becomes his willing plaything, manipulating her until she enjoys his strict punishments more than he does.

What Lord Galbraith doesn't count on is Emilia being much more intelligent than his usual pursuit - and soon the line is blurred between master and servant as he finds himself needing her almost as much as she needs him.

When a fiancée enters the picture it gets heated, and soon Emilia makes a big mistake, one that can't be solved by being bent over Galbraith's lap and punished.

A mistake that will either break them apart or bring them closer than either of them ever imagined.

Once and for all.

Beautiful Agony

When Annabelle, a young untouched lady of high standing, is betrothed to be wed to a man she hates she decides to run away.

But has she gone out of the frying pan, and into the fryer?

When she arrives at the manor of Duke Alexander Brown, she expects him to send her straight home to her parents. On the contrary however, he seems quite interested in her - even excited - and the confident and experienced Duke soon convinces her to agree to an offer that puts her under his direct control for a full month. Sweet Annabelle will find her world turned upside down as she realizes the full extent that she'll have to serve the Duke to get what she wants.

But as soon as the Duke gets his hands on her, she suddenly isn't so sure what that is.

Warning: This bundle contains explicit sex scenes.
