What do you want? Better health? More money? Love? Respect? More energy? Power? Tribal shamans, witchdoctors, magicians, priests, and scientists, have all striven to improve the lot of society. To improve material circumstances. Some to aid spiritual growth. Others looked to heal physical illness when all else had failed. Whatever you want in life, magic can help you get it. Used with skill, magic will transform your life. You will become someone who can change your circumstances in line with your will. Your rounded personality, in fulfilling its own deeper purpose through magic, will become irresistible to others. This book contains the essential secret of practical magic - the secret of changing your life. It is not new - indeed it is as old as mankind itself. If you have made a study of the subject you will have seen it before, though you may not have recognized it for what it is. Here it will be made explicit, along with practical guidance on how to apply it in your life.
