David has a terrible crush on beautiful Sarah but he feels she's out of his league. He's painfully aware that he's not particularly well endowed and feels she would never be with a "little guy" like him.

She unexpectedly asks him to help her out with her figure photography project for art school. The only catch - he must pose totally nude in front of her.

The thought of it excites him and scares him a little. He wants to be seen by Sarah but his deepest insecurity will be fully exposed to her. Will she accept him or ridicule him?

Things get a bit out of hand for poor David when Sarah's 3 housemates turn up - Colleen, Kay and Christine. Even Christine's MILF mother Lynn brings her mature touch to the CFNM SPH fun!

The story contains approximately 5900 words.

Contains depictions of male nudity in front of clothed women, verbal humiliation, a sexy MILF, small penis humiliation (sph), femdom, embarrassment, sexual teasing and a hand job performed by 3 women. All characters are consenting adults at least 18 years of age.
