Patti Culea, elinor peace bailey, and Barbara Willis are three of the leading doll artists and teachers in the country. They are also friends. Each of these artists has her own distinct approach to the design and development of a cloth figure. In this book, each artist's process will come alive through their choice of fabrics, sketches, simple patterns, and skill-building variations. The book is oriented toward beginning doll makers, but offers unique variations and embellishments to please even more experienced doll designers. Two introductory chapters cover basic materials and techniques. Each artist's chapter includes step by step illustrations, instructions, and patterns to make a complete doll, plus variations that create completely new figures. Readers are treated to full color photography and a look inside of each artist's workspace. A gallery of additional creations by each artist, along with commentary on each work completes the collection. This is a must-have book for any aspiring or experienced doll making.
