Inspirational stories strengthen us and teach us life's lessons. At first glance, the people whose stories fill these pages may seem as varied as the professions that define them - entertainer, philosopher, scientist, artist, musician, athlete - but a common thread ties them all together. Each overcame great difficulties to achieve their dreams. This book celebrates the human spirit at its finest moment - the moment when all the other voices are saying, "You can't, you won't," and you tell yourself, "I can, I will!" Author and professional speaker Dan Clark shares these inspiring accounts with his own mix of humor and tenderness.
