Wartime Spies of Berlin Barth Jules Sussman

Berlin 1944. Even as the American and British Armies were invading Germany from the West and Soviet troops from the East, rapidly closing in upon the shattered capital of Berlin, the Third Reich's Nazi leaders refused to surrender and unleashed a desperate plan of survival designed to bring them ultimate victory.

One man alone, Jaime Wellington Arantes, stood between the Nazis and success. The handsome and elegant heir to a great banking dynasty and vast fortune, Arantes was a fabled international playboy, who appeared loyal to Nazi Germany, but all along was in reality the most effective secret agent the Allies ever had. A dedicated anti-Nazi determined to bring down the Third Reich whatever the risk or personal cost to himself.

With the war raging savagely on all fronts, and Berlin under around-the-clock bombardment, Jaime Wellington Arantes battled against time and the Soviet Union's most deadly spy-master to uncover the one missing document - the key to the grandest prize of all and the Third Reich's ace-in-the-hole in a lethal game in which no one could be trusted and love was the most dangerous game of all.
