Have you ever considered letting strangers watch your most intimate moments?

In the second installment of the exciting new series from Elanna Reese, Olivia submits to her Master and his secret plans for the evening.

On Display tells the story of Olivia and Alexander's visit to a private club where her Master brings her to edge of pleasure over and over again in front of a room full of strangers. Always obedient and ever devoted to her Master, she does all he commands - even when he wants a stranger to help push her to her edge of her limits.

Not only does he allow strangers to watch, he wants a stranger to play with them while he takes his own pleasure from her delectable mouth.

Will Olivia enjoy being used in front of others? Will she please her demanding and commanding Master? Will one night of an explosive release in front of strangers be enough? Or will she want more?
