An ancient prophecy written over 3000 years ago reveals that the Arab states and terrorist populations, which presently share common borders with Israel, will soon confederate in order to wipe Israel off of the map. These enemies of Israel are depicted on the red arrows upon the book cover image, and their mandate is clear: They have said, "Come, and let us cut them off from being a nation, That the name of Israel may be remembered no more." (Psalm 83:4). Psalm 83 predicts a climactic, concluding Arab-Israeli war that has eluded the discernment of today's top Bible scholars, and yet, the Middle East stage appears to be set for the fulfillment of this prophecy. While many of today's top Bible experts are predicting that Russia, Iran, Turkey, Libya, and several other countries are going to invade Israel according to the prophecy in Ezekiel 38, this timely book explains how Psalm 83 occurs prior. Discover how Israel defeats their ancient Arab enemies, and why Americans need to stand beside Israel in this coming war! This book is an updated version of Isralestine, The Ancient Blueprints of the Future Middle East, which was written by the same author. This updated version includes over 17 new chapters and appendices.
