The Deliverer (The Marenon Chronicles Book 1) Jason D. Morrow

First they chase him through the mountains for days. Then they murder his grandfather. And just as seventeen-year-old Silas Ainsley is about to escape his nameless enemies, he is killed.

This is where it should end, but Silas' journey is far from over.

He wakes up and finds himself in a realm called Marenon; a place where humans are not the superior race, where magic is a way of life, and war is threatening to destroy it all.

Forced to make his way through the afterlife alone, Silas joins with a band of lawless mercenaries who claim they can help Silas find his murdered grandfather in exchange for his help on one of their more dangerous missions.

Along the way, Silas discovers he is part of an ancient prophecy declaring that he is the only one who can deliver Marenon from the enemies that wish to extinguish its people - the same enemies that killed Silas and his grandfather.
