The EXPENDABLES: STORIES Antonya Nelson

Winner of the Flannery O'Connor Award, Antonya Nelson's debut collection of stories displays the off-beat perceptions, the humor, and the sensibility that have won the author not only critical acclaim but a host of devoted readers.

Most of the stories in *The Expendables* are about marriage -- marriage in process, about to be, about not to be anymore, possibly transgressed, and decidedly not transgressed. In the title story, a teenage boy participates in the spectacle of his sister's second marriage. In "Dog Problems," a husband muses about his wife's attachment to her dog, a bond that predates their marriage and will -- he fears -- outlast it. There is the woman in "Affair Life," happily encircled by her husband and child, who still must choose between her marriage and what is not quite yet an infidelity. Ranging in setting from Atlanta to Chicago and Kansas City, from the arid Southwest to the course of a river running through Colorado canyon walls, the stories in *The Expendables* show our relationship with destiny, whether resisted, invented, obeyed, or forced.

From reader reviews:

Katie Phillips:

What do you about book? It is not important along with you? Or just adding material if you want something to explain what the one you have problem? How about your free time? Or are you busy individual? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have time? What did you do? All people has many questions above. They need to answer that question since just their can do that. It said that about e-book. Book is familiar in each person. Yes, it is suitable. Because start from on pre-school until university need this particular The EXPENDABLES: STORIES to read.

Mary Case:

Here thing why this particular The EXPENDABLES: STORIES are different and trusted to be yours. First of all reading through a book is good however it depends in the content than it which is the content is as tasty as food or not. The EXPENDABLES: STORIES giving you information deeper and different ways, you can find any book out there but there is no publication that similar with The EXPENDABLES: STORIES. It gives you thrill examining journey, its open up your personal eyes about the thing which happened in the world which is might be can be happened around you. You can actually bring everywhere like in park your car, café, or even in your way home by train. Should you be having difficulties in bringing the printed book maybe the form of The EXPENDABLES: STORIES in e-book can be your option.

Gene Taylor:

Is it a person who having spare time after that spend it whole day by means of watching television programs or just resting on the bed? Do you need something new? This The EXPENDABLES: STORIES can be the respond to, oh how comes? A book you know. You are consequently out of date, spending your free time by reading in this fresh era is common not a nerd activity. So what these publications have than the others?

William Rockwood:

What is your hobby? Have you heard this question when you got learners? We believe that that query was given by teacher on their students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person just like reading or as looking at become their hobby. You need to know that reading is very important and book as to be the point. Book is important thing to incorporate you knowledge, except your personal teacher or lecturer. You discover good news or update regarding something by book. Many kinds of books that can you go onto be your object. One of them is The EXPENDABLES: STORIES.
