## **The Olympus Device: Book Two (Volume 2) Joe Nobody**

In the second of The Olympus Device trilogy, Dusty's escapades continue as he pledges to prevent the world's most powerful device from falling into the wrong hands.

Treachery spoils his plans to live off the grid, and soon the FBI is hot on his trail. With the government's bloodhounds snapping at his heels, the Texan seeks refuge along the border.

Dusty's hopes of laying low and buying time for his friends and family to clear his name are soon dashed, the Olympus Device luring ambitious men with its siren song of power and promise of global dominance. It's an irresistible draw, prompting powerful men to risk everything to possess Dusty's invention.

In *The Olympus Device: Book Two*, master storyteller Joe Nobody continues the tale of a gentleman rancher's quest to shield the world from unscrupulous use of his scientific discovery.
