Dark Meets Light in Yellowstone (Yellowstone Mates Book 4) Christy Rivers

The final chapter in the Yellowstone Mates series...

Sandy Masterson has always been different. Her uncanny ability to predict things before they happen has caused her bear shifter family to fear her. She grew up feeling alone and continues to feel that way as an adult. While various members of her clan find their fated mates, she watches quietly from the sidelines, waiting for her turn...

Alexander Lindquist is more than just the Guardian of the Yellowstone territory. He is a cold-blooded dragon shifter with powers beyond imagination, but the only thing he truly desires is the sassy bear with an unusual gift. Alexander suspects that Sandy is psychic, and that with a little guidance, she can be a useful addition to his army of shifter assistants. He better be careful, though, because Sandy is *more* than just any old shifter. Long ago, he loved a woman who made a deathbed promise to find him in the next life, a woman who shares many similarities with Sandy Masterson...

Please note: This 25,000 word novella complete with **HEA ENDING** contains some mature scenes. It is the final novella in the YELLOWSTONE MATES series but can be read as a standalone story. Intended for adult readers.
