**I'm Gonna Live My Life Like a Jimmy Buffett Song (Di Island Song Series, Volume 1)** Anthony Bjorklund

Jack Danielson always thought he was happy. After all, he had a serious career, a tall, skinny blonde girlfriend, and a condo chock full of Ikea furniture. But then one day an icy Minnesota freeway and an overly close encounter with a Peterbilt truck make him rethink his lifestyle, and he sets out to escape from the ordinary and to live his life like a Jimmy Buffett song.

Written as a tribute to Jimmy B and the Parrot Head way, the story follows Jack as he goes off in search of rum, spices, and new experiences...not to mention his own true identity, as well as what he wants from this crazy little gift called life. As contemplative as it is fun, this light and breezy book is seasoned with a healthy peppering of Buffetteria, and is the perfect tale for anyone who ever dreamed of chucking it all to lie on a beach and drink margaritas all day.
