*Edward F. Mooney*

## **On Søren Kierkegaard: Dialogue, Polemics, Lost Intimacy, and Time (Transcending Boundaries in Philosophy and Theology)** Edward F. Mooney

Tracing a path through Kierkegaard's writings, this book brings the reader into close contact with the texts and purposes of this remarkable 19th century Danish writer and thinker. Kierkegaard writes in a number of voices and registers: as a sharp observer and critic of Danish culture, or as a moral psychologist, and as a writer concerned to evoke the religious way of life of Socrates, Abraham, or a Christian exemplar. In developing these themes, Mooney sketches Kierkegaard's Socratic vocation, gives a close reading of several central texts, and traces 'The Ethical Sublime' as a recurrent theme. He unfolds an affirmative relationship between philosophy and theology and the potentialities for a religiousness that defies dogmatic creeds, secular chauvinisms, and restrictive philosophies.
