## Stephen Crane: Complete Poems (American Poets Project) Stephen Crane

The reputation of prose masterpieces like *The Red Badge of Courage* and *Maggie: A Girl of the Streets* ought never obscure Stephen Crane's singular contribution to American poetry. In *The Black Riders* (1895), *War Is Kind* (1899), and the best of his uncollected poems, Crane forged his own idiom: abrupt, compact, sharply visual, and brutally indifferent to the niceties of late Victorian verse. These spontaneous utterances-Crane said they came to him "in little rows, all made up, ready to be put down on paper," sometimes five or six a day-seem now like a prophetic blast of the modernist era and of the great war poetry that was to follow.
