The Lesbian Kama Sutra Kat Harding

The Lesbian Kama Sutra applies the spirit and intention of the original Kama Sutra--the expression of uninhibited pleasure through sex--to the lives of women. Celebrating the love between women with clear, empowering text and a rich visual tapestry of images, the book offers a frank and open discussion of the lesbian sexual experience, revealing the intimate relationships women have with other women.

Background on the historical views and visual representation of lesbians in art is accompanied by detailed instruction on a repertoire of positions and techniques that will help the modern woman enhance her lovemaking skills throughout all stages of life, from the teen to the post-menopausal years. In addition to advice on meeting partners, dating, seduction and relationships, there is information on bisexuality, sex toys and other aspects of same-gender love.
