This little book is divided into two parts. The First Department is the children's very own. It is for them to study under the guidance of teacher, mother, brother, or sister. It has been prepared with great care by one who has had many years' experience as a teacher of children.

The Second Department is for the entertainment of children both young and old. Its lessons are taken from God's Word. While the children are learning to read from the "Easy Lesson" department, let the parents and older brothers and sisters read to them the Bible stories which follow, showing and explaining to them the beautiful pictures which accompany them. Lessons taught in this manner will never be forgotten.
