Everything is Possible Martyn Sibley

Have you ever wanted to do something people told you was impossible? Then this book is for you. After growing up on a diet of Michael Palin's tv travels, Martyn Sibley realised there was more out there than the flat fields of Cambridge, England. With the help of a ragged band of Pa's, a wheelchair charger, and a dangerous amount of determination, Martyn set off on a series of travel adventures that took him from the warm waters of Mexico, to the snowy peaks of Catalonia. This is the story of the scrapes, skirmishes and silly situations that one man and his wheelchair can get into, given a little self belief and a whole lot of planning. Proving that despite the doubters, everything really is possible.
