Poetry. In these poems, Kevin Miller drafts people, characters, images and events out of their familiar locations and contexts and weaves them into new situations, creating unexpected connections, original experiences. This new town is the locale of Miller's vital imagination. Probably we all have an old town in us, in our memories or dreams. Miller invites us into his town, shares its truths and textures. And in the generous spirit of the man and poet, these poems are also an invitation to all of us, in whatever way we can, to forge and populate an old town of our own.
