Mosby's Comprehensive Review of Dental Hygiene, 7e Michele Leonardi Darby BSDH MS

Your one-stop review for the National Board Dental Hygiene Examination (NBDHE), **Mosby's Comprehensive Review of Dental Hygiene, 7th Edition** is the most trusted review and study tool on the market. A total of 2,500 review questions including four online timed practice exams -- all with answers and rationales for remediation -- make this book stand out as a student favorite. Already known for its in-depth coverage, an easy-to-use outline format, and expert authorship, this review parallels the NBDHE with case studies, the "testlet" format for community health and research content, an emphasis on computer-based testing, and coverage of dynamic areas such as infection control and local anesthesia administration. Expert author Michele Darby provides the NBDHE review tool you cannot afford to be without!

- **A comprehensive review** includes all the necessary content for the NBDHE, with 2,500 review questions including four simulated exams.
- **A logical organization** covers the three main areas of the NBDHE: (1) the scientific basis for dental hygiene practice, (2) the provision of clinical dental hygiene services, and (3) community health and research principles.
- **NBDHE-style review questions** offer practice and self-assessment relating to key content.
- **A new 350-question examination** complete with Components A and B mimics the format of the NBDHE and is included in the back of the book and on the companion Evolve website; it provides answers, rationales, and a timer function.
- **Three additional timed simulated practice examinations** are provided on the companion website for additional test-taking experience.
- **Case-based questions** prepare you for the case studies and scenarios emphasized on the NBDHE.
- **An outline format** allows for easy review and study.
- **Illustrations, diagrams, clinical photographs, and radiographs** help in recognizing suspected pathologic processes and interpreting radiographs.
- **Tables and boxes** summarize concepts and procedures.
- **Unique! Website tables** in each chapter provide a quick reference to key sites for further research and study.
- **Expert authors** are leading educators, researchers, and practitioners, each of whom has an in-depth knowledge of what it takes to succeed on the NBDHE.
- **1,450 NEW practice questions** are added to this edition for a more complete review.
- **Updated content** reflects changes and advances in areas such as infection control, pharmacology, digital imaging, and local anesthesia administration.
- **Expanded case studies** promote critical thinking and provide practice with the complex cases that make up Component B of the examination.
- **NEW full-color photographs, illustrations, and radiographs** accurately represent dental conditions.
- **Labeling and identification exercises** are included, with electronic flashcards for added vocabulary practice.
