One More Breath: Four Seasons of Hope and Inspiration For Every Life-Changing Journey

Sam Crowley

One More Breath: Four Seasons of Hope and Inspiration For Every Life-Changing Journey Sam Crowley

Sam and Angela Crowley were experienced and mature parents to three daughters when they discovered Angela was pregnant once again at the age of 43. Although the pregnancy wasn't expected, it was a reason to rejoice... and then complications arrived. Susan Crowley was born in distress at 24 weeks, weighing only one pound and a mere foot long. This is the story of one family's journey with an extreme preemie and their hope she would survive each day by taking one more breath. Baby Susan spent the first 221 days of her life in hospitals and suffered through countless surgeries and procedures. After witnessing firsthand some surprising revelations about hospital care, they vowed to become not only an advocate for their child, but for all those babies who didn't have the same solid support system. Today Susan is thriving on the love of her family and getting stronger with each breath she takes. In *One More Breath*, Sam and Angela bravely share their journey in order to inspire and teach, to motivate and uplift not only other parents who might face similar circumstances, but anyone who is struggling to cope with unexpected circumstances.
