## **Pride and Prejudice** Jane Austen

*"To create, a woman needs a room of her own"* - **Virginia Woolf**

**Jane Austen** began writing a novel in October 1796, while staying in a room of her own at her brother's Edward house in Kent, she finished it in August 1797 and called it "**First Impressions**".

Between 1811 and 1812, Jane went back to work on "First Impressions" and made significant edits and revisions to the manuscript. When she finally became satisfied with her work she renamed the story "**Pride and Prejudice.**"

Jane asked £150 for the novel's copyright but Thomas Egerton, the publisher consented to only £110.

Egerton published the first edition of *Pride and Prejudice* in three hardcover volumes on 27 January 1813 and priced the three volume set at 18 shillings (90 pence).

In October 2010, a set, in a relatively good condition, of *Pride and Prejudice*' first T. Egerton edition was sold for £140,000 at a Sotheby's auction in London, fetching more than 150,000 times its original price.

The romantic masterpiece is estimated to have sold more than 50 million copies, worldwide since it was first published and first T. Egerton editions, in a reasonably good condition, are regularly priced between £60,000 and £75,000 per copy.

To celebrate both women and fiction and the 200th anniversary of **Pride and Prejudice**, Pygmaion editors decided to release this edition with an introduction by **Virginia Woolf** and a new **Lizzy** on the cover imagined by **Gustav Klimt**.

### From reader reviews:

#### Neil Williams:

Have you spare time for any day? What do you do when you have a lot more or little spare time? Yeah, you can choose the suitable activity for spend your time. Any person spent their particular spare time to take a go walking, shopping, or went to the particular Mall. How about open or even read a book titled Pride and Prejudice? Maybe it is being best activity for you. You recognize beside you can spend your time along with your favorite's book, you can more intelligent than before. Do you agree with the opinion or you have some other opinion?

#### James Ellis:

Why? Because this Pride and Prejudice is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will zap you with the secret the idea inside. Reading this book close to it was fantastic author who all write the book in such remarkable way makes the content within easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this any more or you going to regret it. This amazing book will give you a lot of positive aspects than the other book have such as help improving your proficiency and your critical thinking technique. So , still want to postpone having that book? If I have been you I will go to the guide store hurriedly.

#### Johnny Ballance:

Playing with family in a very park, coming to see the water world or hanging out with buddies is thing that usually you will have done when you have spare time, and then why you don't try thing that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Pride and Prejudice, you are able to enjoy both. It is excellent combination right, you still want to miss it? What kind of hang-out type is it? Oh can happen its mind hangout people. What? Still don't get it, oh come on its known as reading friends.

#### Ruth Mullins:

It is possible to spend your free time to read this book this reserve. This Pride and Prejudice is simple to develop you can read it in the area, in the beach, train and also soon. If you did not have much space to bring the actual printed book, you can buy often the e-book. It is make you quicker to read it. You can save the particular book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.
