## The Savage Wars Of Peace: Soldiers' Voices, 1945-89 Charles Allen

Since the Second World War the British Army has been engaged in armed conflicts around the globe in every year except 1968. Some have been full-scale military campaigns, but most have been undeclared wars, fought out in such widely differing theatres as Malaya, Kenya, Cyprus, Brunei, Borneo, Aden, Oman and Northern Ireland.

*The Savage Wars of Peace* is the fighting soldiers' view of these campaigns, recounted in their own words to oral historian Charles Allen, chronicler of such classics as *Plain Tales from the Raj* and *Tales from the South China Seas*. Drawing on the spoken recollections of over seventy military figures of all ranks, Charles Allen has assembled a rich kaleidoscope of images of warfare as experienced by those at the sharp end.

Letting the soldiers speak for themselves, with extraordinary and sometimes very moving candour, these unique first-hand accounts give a rare insight into Britain's modern 'peacetime' army - the changes it has undergone since 1945, and the bonds that unite fighting men.
