The Westies: Inside New York's Irish Mob T. J. English

A chilling true story of murder and betrayal on Manhattan's gritty West Side

It's men like Jimmy Coonan and Mickey Featherstone who gave Hell's Kitchen its name. In the mid-1970s, these two longtime friends take the reins of New York's Irish mob, using brute force to give it hitherto unthinkable power. Jimmy, a charismatic sociopath, is the leader. Mickey, whose memories of Vietnam torture him daily, is his enforcer. Together they make brutality their trademark, butchering bodies or hurling them out the window. Under their reign, Hell's Kitchen becomes a place where death literally rains from the sky. But when Mickey goes down for a murder he didn't commit, he suspects his friend has sold him out. He returns the favor, breaking the underworld's code of silence and testifying against his gang in open court.

From one of the creators of *NYPD Blue* and *Homicide: Life on the Street* comes an incredible true story of what it means to survive in the world of organized crime, where murder is commonplace.

Mcdougal makes some research ahead of write this book. This particular book very easy to read you can get the point easily after scanning this book.

Melissa Fanning:

As a student exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this The Westies: Inside New York's Irish Mob can make you sense more interested to read.
