Together Plus One (A MMF Bisexual Threesome Menage) (Becoming Three Book 2) Kim Ashton

"I can't stop thinking about it. About what you did...and other things..."

After an intense drunken night with his girlfriend Natalie and best friend Mark, Dan leaves in the morning hoping nothing has changed between them and trying to forget the whole thing. But he finds himself struggling through the day with thoughts of Mark's sexy body pressed close to him, knowing that these unexpected desires conflict with everything he's ever known.

He's not gay.

But he can't get that night out of his head - or the thought of his friend exploring further with him, fulfilling some of the promises he made that night. And he can't help but think that if he can work through these feelings with Natalie, and they're both willing, perhaps something might change between the three of them - for the better.

Together Plus One is the second in a trilogy that follows Dan, Natalie and Mark as they uncover and share fantasies and needs that have remained hidden or suppressed for all their lives, the emotional turmoil and the deep, intense fulfilment that those bring. These books can be read as standalone if you're looking for hot MMF threesome action with two strong, bisexual men, but are better enjoyed together.

--- Excerpt ---

"Relax, love – he'll be here soon."

Dan grinned at her for a moment, pulling her in for a kiss, letting his needy mouth explore hers as the eager anticipation surged through him. His cock was already hardening in his tight jeans and he shifted, slightly regretting that choice – not that he expected to keep them on for long. He couldn't help the nervous smile and slight laugh as he broke the kiss.

"I know. It's just...I can't think about anything else."

Natalie laughed again and shifted around, taking his drink away and straddling his lap as she ran her hands over his body. Her lips ran across his mouth, tracing along his jaw as her tongue darted out and her hands played with his eager body.

"Well, maybe we can start without him."

Dan moaned and rocked against her, his hard cock arching up against where her light, flowing skirt promised the pleasure he needed. His hands moved around her, pressing her to him as he took her mouth again, one hand in her hair keeping her close as the other ran down her soft body. Natalie moaned against him as she murmured.

“Not long now, Dan, and Mark will be here over us too. Tell me what you’re going to be doing together, love, what you want. I want to hear it.”

Dan bit his lip to cut off a groan and his eyes snapped to hers, where the dark heat that had been growing there was starting to burn with her own building lust. He leaned forward and gave her what she wanted, loving the way her breath hitched against him as his words travelled all the way down to her aching pussy.

“I want him here to touch, to kiss...to feel him all over me. I want him to take me, Natalie. I want to feel what it’s like to have him inside me, as I take you – I want him giving me his hard cock as I enjoy your soft, delicate body under me.”

She gasped, biting her lip and nuzzling against him for a moment as a wave of lust hit her, her hands running under his shift and across his chest as she fought for control.

“God damnit, Dan...you’re making it damn hard to wait for Mark.”
