Break on Through to the Other Side

Marty Berry

Break on Through to the Other Side Marty Berry

Marty Berry's autobiography contains forty true stories that add up to a life unlike any other. His account of the Sixties is one of love, constant danger, and spiritual awakening. It is an outrageous adventure, of extreme highs and lows.

The journey toward it is a mind-blowing, brazen adventure of subversion and suspense that rivals any Hollywood thriller, told in a straightforward and unapologetic voice by the one who survived it and was transformed through it.

The brevity and fast-moving action of each story contributes to the overall dynamic of his life in the 60's, and the book maintains a radical energy to "run like a racehorse whose rider is a mystic." One cannot simply take on the title "modern-day mystic." One must earn it. Marty's experiences will convince any reader that he has earned his status.
