## New Voices in Irish Criticism

Providing a snapshot of the current state of Irish studies, this collection testifies that a broad range of Irish cultural activity is now being analyzed by a diversity of scholars. Topics covered include: Politics and Revival, Theorizing the Novel, New Directions in Irish Studies, Women and Fiction, Imagining Northern Ireland, Literary Journalism, and Poetry and Nation. Many of these essays will usefully contribute to ongoing debates beyond the immediate concern of Irish studies in fields such as Marxist theory, historiography, feminism, postcolonial studies, genre theory, cultural studies, and history of science.
