Past Life Regression: How to Discover Your Hidden Past Life Memories & Karmic Reincarnations through Hypnosis (Past Lives, Reincarnation, & Hypnosis) (Volume 1) Daniel Kai

Have you ever wanted to explore your past lives to help better understand the purpose of your soul's journey through eternity? Would you like to help guide your friends and relatives into a meditative state when they can recall their own hidden past life memories to help them with the very personal challenges of their current lives? If so, this book is for you. This book will help you discover the long journey of your soul – whether your most recent incarnations were in the distant, distant past or from a slightly more recent period of history. You'll discover how important events of your past life create trends and can significantly impact your current life. You'll see how people, family, and friends help create karmic resonances and causal ripples from pasts long since forgotten. Author Daniel Kai has spent years investigating past life phenomena and helping others recover their own past life memories. By popular request, he has created this book to help show you how to achieve the same amazing past life recollection results in the comfort of your own home. By the time you finish reading this book, not only will you be able to provide your own past life regression, but you will have enough information to act as a past life advisor to help others. In this book you will learn • how to use the included guided meditation script to help clients and others recover their own lost past life memories • how to distinguish between real past life memories and memories conjured by false memory syndrome • how to induce deep, deep states of relaxation in yourself and clients to begin probing the recesses of their minds • the basics of and the differences between hypnosis and guided meditations • how to hone in on specific past life memories • how tragedies and important events in past incarnations dramatically affect your current life conditions If you are even remotely curious about past lives and how to help yourself and others enter into a state of mind to recover their hidden past life memories, this book is definitely for you. I hope you enjoy this book as much as I enjoy creating it.
