## **The Book of the Ancient Greeks** Dorothy Mills

The Book of the Ancient Greeks is an introduction to the history and civilization of Greece from the coming of the Greeks to the conquest of Corinth by Rome in 146 BC. Dorothy Mills had an uncanny and unique ability to write history that is interesting and at the same time based on sound scholarship. Her direct, engaging approach is valued increasingly by the many parents in our day who are looking for reliable materials for homeschooling or home study, as well as by many private school educators.

Angelico Press has undertaken to reprint the highly-prized six volumes of her historical works as part of its effort to offer texts ideally suited to the needs of a new generation of teachers and students. In a world where the quality of education has so deteriorated, may the reissue of this wonderful historical series shine as a beacon to a new generation of young (and not so young) scholars!
