BONUS - RECIPE INCLUDED!

There's no place like home! But what if "home" happens to be the town's mysterious, rundown, mansion? At least that's what young Andrea Malone keeps asking herself ever since she bought the vacant, dilapidated house months ago.

Determined to put down roots in the cozy little town of Belhaven, she gets busy managing the much-needed renovations in order to revive the old house and restore it to the grandiose mansion it once was.

With the renovations nearly complete, the mysterious house begins to reveal secrets from its troubled past.

On the same day that her quirky parents arrive in town for a visit, Andrea makes a shocking discovery that has her questioning if she should spend another night in the house.

She calls on her friend and amateur sleuth, Gloria Rutherford, to help her get to the bottom of the mysteries that surround the mansion.

The more clues Gloria uncovers, the deeper the mysteries get. She discovers that some of the local town folk would prefer that the secrets remain buried in the past.

Could a killer be living in their midst?
