## **National Socialist Christian (Powerwolf Publications) (Volume 10) J. A. Sexton**

This book was written for two reasons. The first reason is to prove that Hitler was a Christian. While he was certainly no ordinary Christian, he was a Christian nevertheless. The second reason is to provide a manual, blasphemous and heretical to most Christians, for the National Socialist Christian. It is a sort of blueprint for what the good National Socialist Christian should believe and why. This book is full of heretical viewpoints and outright blasphemy. It may therefore deeply disturb the traditional Christian since it does not proclaim traditional Judeo-Christian nonsense. In fact, this book slams that viewpoint and relentlessly so. You have been forewarned, dear Christians! Now let your journey to the truth begin.
