**Coming in from the cold had never been so heated by an old attraction**

On the run for two years, former FBI agent Cade Landry has only one person he can turn to: Olivia Sharp, his former partner—and lover. But after all this time, trusting the beauty is sure to put both their lives on the line. Taking that risk, Cade braves a raging storm to seek her help. The moment they're reunited, and with no time to explore their reignited passion or the case that tore them apart, they must focus on bringing a band of domestic terrorists to justice. Hurling them through snow-choked mountains into harrowing danger, Cade feels the pressure of what's at stake: his future, Olivia's life...and a love that never died.
