The Sochi Olympics has ever increasing and severe threats of terrorism looming over the games and venues. The coastal Olympic Complex is a 5 minute drive from the country's border with Georgia. Sochi sits at the edge of a volatile war zone. In one heartbeat, thousands of lives could be affected. We need to cover the people and places with continual and fervent prayers. But there's more. Since it was approved it as the site of the 2014 Winter Olympics seven years ago, the entire process has been fraught with problems. This book shows why. This prayer guide highlights the current and historical, physical and spiritual causes of the threats and concerns surrounding the Sochi Olympics. Studying the history of the area of Sochi, Russia brings many things to light. It is an area that has been marked by repeated genocides and the shedding of innocent blood. Whole ethnic groups of people were forced to leave the area as Russia proceeded with its expansion efforts. The Black Sea coast where Sochi is located was once a hotbed of slave trading. Christian men and others were sold to people in other countries. It gets even worse than that. We are called to pray with understanding. Knowledge of the physical and spiritual history of Sochi will help YOU to be an effective prayer tool in The Hands of God. This guide is in itself, a wonderful prayer tool that can be used in other situations as well. It gives you the background, history, and clear instructions. YOU can be a part of shifting the nations and peoples attending the Olympics and living in the area. Beyond the 2014 Olympics, is the Para-Olympics in March, 2014, Then, Sochi will host the G8 Summit, the World Cup Soccer Tournament and the Grand Prix. Sochi should be a venue for many events in years to come. The guide is filled with lists, prayer points, pictures and Scriptures to help make your prayers more focused and detailed. God LOVES detail! He IS The God Of Infinitesimal Precision! This book exemplifies His Precision. More, directions for EFFECTIVE DELIVERANCE are given that takes the demons, devils and spirits out of commission - PERMANENTLY! They cannot jump back into a person or bring 7 more with them. For the first time, I am revealing a whole new level of deliverance prayers that are highly effective, and uniquely Given Through Holy Spirit. He Has Shown me that this method negates the work of the demons, devils & spirits throughout eternity. It ultimately sends them back to hell, completely powerless to affect or torment anyone on earth, in the air or in hell. These are teachings that Holy Spirit Has Been Giving me for several years that eliminate the spiritual causes of many problems and situations. Through this method, we are making great holes in satan's plans! We are not here to judge anyone. We will not judge those who participate in the Olympic games, the peoples of Russia or any other nation. We are to be The Lord's Hands and Heart Extended in prayers for their salvation, safety and souls. We will work at setting the captives free through deliverance, and extend our hearts, hands, time and prayers in His Love.

As a student, I exactly feel bored to help reading. If their teacher inquired them to go to the library or even make a summary for some reserve, they are complained. Just small students that have reading's soul or real their pastime. They just do what the trainer wants, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we really wish for. Likewise, words say, ways to reach Chinese's country. Therefore this Sochi Olympics Prayer Guide can make you truly feel more interested to read.
